## Objectives

A motivated and detail-oriented Frontend Developer seeking a SIWES/Industrial Training placement where I can further develop my technical skills and gain hands-on industry experience. I am eager to apply my knowledge to build responsive, user-friendly and efficient web applications. My goal is to work in a collaborative environment that encourages learning, problem-solving and innovation, while allowing me to contribute meaningfully to real-world projects and grow professionally as a frontend developer.

## Education

### **\*\*Lagos State University (LASU) (2023- 2027)\*\***

- ▶ Bachelor's Degree in Computer Science

### **\*\*D'Solid Crystal Academy (2016- 2022)\*\***

- ▶ WASSCE(West African Senior School Certificate Examination)

## Technical Skills

- ▶ **Language:** HTML, CSS, JavaScript, C++
- ▶ **Frameworks & Libraries:** React.js, Next.js, Bootstrap
- ▶ **Styling:** SCSS, CSS, Bootstrap
- ▶ **Backend/Service:** Firebase(Database)
- ▶ **Tools:** Github, VS Code, Git
- ▶ **Responsive Design:** Flexbox, CSS grid, Mobile-first design

## Projects

- ▶ **Budget Tracker Web Application:** A personal web application designed to help users manage their income and expenses efficiently. Allows users to add income and expense transactions.
